I am delighted that you have decided to study with me and look forward to working with you.

Please fill out this document, and email it to me as an attachment. My email address is **students@annasayce.com**.

Personal Information

As part of this course, I will access your Akashic record and do an attunement to ask for you to assigned support for this new role as healer, whether it is for yourself or for others. If you're comfortable passing on the below information, that will help me access your soul record and put this support in place for you.

Full name at birth:

Full name now:

Date of birth:

Place of birth:

Time zone and country of residence:

Photo

Please attach a photo to your email (one from the last few years is fine, the more recent the better.) This is just so I can see who I'll be working with and it will also help me perform the attunement for you.

Connecting for Our Mentoring Sessions

(please note this section is only applicable to Apprenticeship students.)

I either use Facebook Messenger or Skype for our mentoring sessions.

If you have a Facebook account and you are comfortable with talking over Facebook Messenger, please send me a link to your profile (please note, it must be a personal profile not a business page.)

Once I have that, prior to our call, I'll send you a message on there, which will allow me to call you if you respond.

Otherwise we can use Skype.

You can add me if you intend on using Skype for the mentoring (please also send a little note on Skype when you add me to your contacts so that I know who you are!)

My username for Skype is anna.sayce1

I am looking forward to working with you!

All the best,
