

EVOLUTIONARY MANIFESTING™ COURSE - STUDENT AGREEMENT

New students: Please print, read, initial, sign and return this completed agreement to anna [at] annasayce.com.

Responsibility

In undertaking the Evolutionary Manifesting Course, I understand that any Evolutionary Manifesting reading and homework/follow-up actions I may do for myself (as a result of or as part of my studies) are not meant to take the place of professional advice from an expert such as my mental health professional, tax advisor, doctor, naturopath, accountant, or any other professional.

I understand that the health practices and procedures mentioned in the Evolutionary Manifesting Course (which may be undertaken with the objective of building the energy field) are not to be done without advice from a health professional.

I understand that my results and whatever may arise as a consequence of using the course materials, are exclusively my responsibility.

Confidentiality

The Evolutionary Manifesting Course features both private client case histories and sensitive information regarding the author's past experiences.

I understand that such information is by and of itself of a confidential nature and I agree not to discuss it with any person who is not enrolled as a student in the Evolutionary Manifesting Course.

In addition, I agree to keep strictly confidential any information shared by students in the course forums.

The obligations under this agreement do not extend to information that is (i) publicly known at the time of disclosure or (ii) information that subsequently becomes known through no fault of the student.

Presentation of Services

The Evolutionary Manifesting modality is centred around one core principle, which is that conscious creators often struggle to manifest their desired outcomes, owing to the fact that:

- (i.) Many carry karmic complexes within their subtle energy bodies; and
- (ii.) Many popular healing modalities, when undertaken with the aim of resolving a karmic complex, only partially resolve these karmic complexes, if at all.

The Evolutionary Manifesting modality teaches that specific techniques are the most effective in fully resolving karmic complexes, and that the key to resolving a complex lies in choosing one's healing modality strategically at the moment of attempted complex resolution.

As a result, I accept that if I offer/suggest other types of therapies or techniques (ones that do not align with the Evolutionary Manifesting teachings) in an attempt to assist clients in resolving complexes, I am no longer practising the Evolutionary Manifesting modality as it is taught.

In such a scenario, if I choose to call myself an Evolutionary Manifesting practitioner or mention the Evolutionary Manifesting modality in my marketing and sales materials, I am also required to state clearly and prominently that I do not fully use the Evolutionary Manifesting protocol nor adhere fully to its principles.

Respect of Intellectual Property

The Evolutionary Manifesting readings that are taught in the course are designed to be passed on verbally, as telephone, online or 'in-person' readings.

In light of this, in undertaking the Evolutionary Manifesting Course, I agree that I am ONLY purchasing instructions to do Evolutionary Manifesting readings (to be delivered in person, by telephone or online) along with the knowledge required to follow such instructions.

I fully understand that in enrolling in the Evolutionary Manifesting Course, my purchase does not include a licence to use Anna Sayce's written intellectual property (which comprises, but is not limited to, the Evolutionary Manifesting written course materials) in an email reading.

I understand that I will only have a licence to use Anna Sayce's Evolutionary Manifesting written materials in the context of an email reading (i) if I am eligible for an annual licence to use the Evolutionary Manifesting email templates¹ and (ii) if I choose to purchase such an annual licence.

I understand that the only documents I may share with clients are the ones clearly designated for this purpose in the course materials.

¹ Professional Evolutionary Manifesting students and former Akashic Record Reading Program students are eligible to purchase a licence to use the Evolutionary Manifesting email templates.

I also accept that it is prohibited to share, post online or disseminate the course materials.

I understand that such violation of copyright law would result in (but would not be limited to) the following steps:

(i.) Immediate removal from the Evolutionary Manifesting Course, with no refund; and

(ii.) Pursuit through the available legal avenues for loss of income, any other damages (where applicable) along with any legal fees expended through such a process that may be undertaken by the author.
